13th September 2021

To parents and carers of children in Year 4

Circus Skills Workshop

Our learning in English this half term is based on the book, 'Leon and the Place Between' which is all about the circus and a magician's act. Although Covid restrictions are lifting, we have decided it is better to bring someone in rather than going out on a class trip for this term.

We have invited 'The Education Group' to come in on 27th September to teach the children a variety of circus-related activities in a circus – skills workshop. They will bring all sorts of equipment for your children to try and give them the opportunity to develop hand/eye coordination, balance, perseverance and resilience - and have lots of fun doing it! We even get to try some plate spinning (and will make sure they know not to try it at home!)

This will be a Monday and children should come to school in their PE kits as usual. Lunch will be what your child usually has.

The cost of this experience is £8.00 per child and can only be paid on our school online payment system Pay360 Educational Payments. You can access the site using the following address:

www.pay360educationpayments.com

You will need an activation code to be able to access your child's Pay360 account. You may already have this if your child has school dinners as you will pay using this system. If you do not have an activation code, please contact the school office and we can arrange an email to be sent to you with all the details to get you going. Please note that this is time limited so please ensure payment is made before the 27th September so your child has a space.

Many thanks

Mrs Clinch, Mrs Fullerton and Mrs Fernandes
Year 4 Teachers
