4th September 2024

Dear Parents and families,

Re: Trip to the Science Museum

As part of the children's learning in Science, years 5 and 6 will be visiting The Science Museum to support the topic "Forces". The children will be attending a live workshop which will help to deepen their understanding and bring their learning to life. Each class will be visiting the museum on different days. The dates are as follows:

1st October 2024 – **Y5/6AO**
10th October 2024 – **Y5/6J**
11th October 2024 – **Y5/6H**

We will be taking public transport, leaving school at 09:15am and aim to return to school by 3:20pm. The cost of the trip is **£6.00 each**. Of course, additional educational experiences that involve external visits require additional funding.

Your voluntary contributions towards these events are invaluable. Without sufficient funding, unfortunately, these types of events may have to be cancelled. In light of this, there will be a given deadline for any contributions made so we can decide if the event can go ahead. We intend to provide sufficient notice of any upcoming events which will allow some flexibility with the payment process. **Contributions** can be paid via mychildatschool app **no later than Wednesday 18th September 2024**. A healthy packed lunch will be required or please indicate on the permission form that you would like a school packed lunch to be provided.

Please complete and return the slip below by **13th September 2024**

Kind regards

Miss Annansingh
Assistant Principal
